# CHISOPANI 2451-2DAYS

Trip Overview

Drive to Sundari Jal for 1 hour and 40 minutes by Vehicle and start hiking. It’s the main drinking water source for the Kathmandu Valley, the national park entrance gate walks right by the water dam beautiful Torques color dam, and it's uphill up through Tamang or Lama village Mulkharka. Terrain gains the altimeter pretty fast view of the Kathmandu valley and the terrace, you already get to see differences between life in the city and the village, people work so hard in the village comparing people in the city Chisopani (Bhanjayang)top 2451m. The magnificent view of the Himalayan ranges Langtang, Khangchhembu Dorje Lakpa Gourishankar and far north, eastern part of the Himalaya to Everest range.

Staying overnight in Chisopani allows a good opportunity great morning view of the Himalayan range and the valleys, way back can make a nice loop via Jhule Chouki Bhanjyang then downhill to Sankhu, catch a vehicle, and get dropped back to the hotel/home.
