THAPA PEAK ROUND DHAULAGIRI TREK

Trip Overview

Round Dhaulagiri trek is one of the most difficult, adventurous, and very interesting treks. This trek is the wildest, most remote, and most breathtaking. This trek requires a good trekking experience and a good physical form. In low altitudes, there are villages and valleys.

The trek route passes through dense forests of rhododendron, oak, deciduous trees, and juniper. The trail crosses Myagdi Glacier, Dhaulagiri Base Camp, and French pass to a hidden snowy valley then after Thapa or Dhampus pass towards Jomsom and Muktinath. Thapa/Dhampus Peak expedition is another attraction. Kali Gandaki Gorge (the deepest in the world) separates the Dhaulagiri and Annapurna range. Sceneries from this route are the massive Daulagiris and Annapurnas.
